## THE IRISH ASSOCIATION OF THE CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS LIMITED

### DIRECTORS' REPORT

---

The Irish Association of The Church of Jesus Christ of Latter-day Saints Limited, ("the Company") was incorporated on 21 December 2006 and was granted charitable status from 1 January 2008 from which date it commenced its activities. The Directors present herewith their report and the audited financial statements for the year ended 31 December 2014.

#### **Director's responsibility statement**

The Directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and generally accepted accounting practice in the Republic of Ireland including the accounting standards issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland.

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the assets, liabilities and financial position of the Company and of the Income and Expenditure account of the Company for the financial year and otherwise comply with the Companies Act 2014. In preparing those financial statements, the Directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the Company to be determined with reasonable accuracy, and enable them to ensure that the financial statements and director's report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and other irregularities.

#### **Books of account**

To comply with section 281 to 285 of the Companies Act 2014, the measures taken by the Directors to secure compliance with the Company's obligation to keep adequate accounting records are the use of appropriate systems and procedures and employment of competent persons. The accounting records are kept at The Church of Jesus Christ of Latter-day Saints in Germany.

#### **Results**

The Company's net outgoings for the financial year were €362,500 (2013: net outgoings €446,375). During the year, the Company made no donations out of restricted funds, as set out in Note 4, to the Corporation of the Presiding Bishop of The Church of Jesus Christ of Latter-day Saints ("CPB"), which coordinates and administers these restricted fund types, as the Company was within the permissible limits of reserves. In 2013, the donation made was €19,426. There were no unrestricted donations received from CPB during the year (2013: €500).

#### **Principal activities**

The main objective of the Company is to further the religious, missionary, educational, charitable, humanitarian, health, welfare, genealogical and cultural purposes of The Church of Jesus Christ of Latter-day Saints (the "Church"), a worldwide Church with its headquarters in Salt Lake City, Utah, United States of America. The Company has the general aim of assisting the Church to increase and sustain its membership and to provide facilities for this purpose and to reach out and work with and provide service to the wider community.

The smallest congregation in the Church is a Branch. Larger congregations are called Wards. All members of the Church belong to a designated Ward or Branch. Groups of Wards or Branches are called, respectively, Stakes or Districts. These are created to facilitate the administration of the Church.

The Church has no paid ministry and thus local members fill leadership positions so that ecclesiastical functions in the various congregations are carried out by members on a voluntary basis. Administrative support is provided from the administrative office of The Church of Jesus Christ of Latter-day Saints in Germany.

One of the primary objectives of the Company is to provide meetinghouses and temples to enable religious worship to be undertaken by members of the Church and others. Worship services are held each Sunday in meetinghouses whereby members and non-members are invited to attend to learn about Jesus Christ and how adopting his teachings benefits all. These services are open to the public. Various other meetings are held throughout the rest of the week.

The Church supplies certain religious materials at no charge to members of the Church and others to help them in their church work and to improve their learning. Magazines and other religious training materials are also contained on the Church's website ([www.lds.org](http://www.lds.org)).

A further key objective is missionary work and the Company assists in the funding of missionary activities in Ireland. Missionaries teach people about the Church and also undertake service projects in the local community.

The Church places great religious significance on tracing family history. There is also a wider public interest in genealogy. The Church continues to be committed to improving facilities such as family history centres throughout Ireland. It also makes available microfilm and microfiche records upon request.

The Church encourages its members to become actively involved in their local community and provides training materials to assist with this. It also arranges a 'National Helping Hands Day' where members of each Ward or Branch perform a pre-arranged service in the community. The Church regularly undertakes public affairs projects with the aim of improving the understanding of the principles for which the Church stands among the general public.

#### **Principal risks and uncertainties**

The main risk the Company faces is that it relies on donations from members and on donations from CPB to finance the Company. However CPB has guaranteed its future financial support where necessary to ensure that the Company has sufficient reserves to meet the costs of its charitable activities.

#### **Achievements and performance**

Church membership grows at a steady rate and at 31 December 2014 there were 3,450 (2013: 3,071) members in Ireland. Worship services are held each Sunday in meetinghouses whereby members and non-members are invited to attend to learn about Jesus Christ and how adopting his teachings benefits all. These services are open to the public. Various other meetings are held throughout the rest of the week. The country had one stake: the Dublin Stake which had four wards and four branches and one district: Limerick District which had five branches.

Eight of the fourteen properties used by the Company are owned and a further six properties are leased by the Company. There are no Temples in Ireland at this time and the members attend Temples in London and Preston in the United Kingdom.

The Company employs three personnel as cleaners and custodians of Church owned buildings in Ireland. The Company has no other employees. Accounting and administrative services are provided, free of charge, by employees of The Church of Jesus Christ of Latter-day Saints in Germany.

There were an average of 54 missionaries serving in Ireland during 2014 (2013: 44) and 62 convert baptisms were performed during the year (2013: 48). The Company continues to assist with the funding of the missionary programme.

The Company operates the Church's religious educational system and oversees seminary classes for youth students (aged 14 through 17) and operates institutes of religion for young adult students (aged 18 through 30). Youth activities, including physical education and cultural integration, were held on a weekly basis. The Company continued to supply certain religious materials free of charge.

During the year, camping and conference activities were provided for the young men and young women of the Church with the objectives of strengthening faith in Jesus Christ, serving others, developing leadership and other skills and promoting friendship.

Family history centres located in Cork, Dublin, Limerick are available to members and the general public alike. Assistance is coordinated by volunteers on several days during the week and provided, free of charge, to individuals conducting genealogical research in these centres. The Church operates a website ([www.familysearch.org](http://www.familysearch.org)) which contains the largest collection of free family history, family tree and genealogy records in the world.
